F A O Kirsten Berry

Dear Kirsten

Planning application for an extension to Hornton Grounds Quarry, land around Manor Farm, for the Nunneley Family Trust.

Thank you for your letter and the helpful advice contained therein. I enclose 15 copies of the full planning application, comprising:

- Planning application form
- Plans
- Supporting Statement containing borehole logs and Working Plan, Restoration and Aftercare Scheme.
- Certificate B and Agricultural Holdings Certificate
- Cheque for £14,250.

On the forms I have indicated that the applicant is the site owner and owns adjoining land. The boundary of these ownerships is shown on Drawing No NFT/2/2. I have used Certificate B because Corus own the land over which the existing site access, compound and haul road run, as shown on Drawing No GPP/ HG/01/02.

I have supplied one set of drawings at A2 size and fourteen copies of the drawings reduced to A4 size. I trust that you will agree that the proposals can clearly be seen on the A4 drawings. However, if any consultees need A2 size drawings, please let me know and I will supply additional copies.

You will be aware of the need to process this application as quickly as possible, so that if permission is granted, the existing workings at Hornton Grounds Quarry can be programmed to move into this additional area. We will need to discuss the legal arrangements for the surrender of the Corus minerals; perhaps we can make a start on this at an early stage so that it does not cause a delay if permission is granted.

If you need any further information, or if any of the consultees would like to visit the site or meet me to discuss any aspect of the proposals, please let me know.

Yours sincerely

Mrs Gillian Pawson
